^a Prerequisite course(s).

^b Required course(s).

The Master of Accountancy program is 40 credit hours and can be completed in three quarters. For students who have not taken or been waived from the prerequisite courses, the program length can vary, up to 56 credit hours.

You will take six elective classes in the MAcc program or four in the MSATA program.

Talk to an academic advisor about specialty tracks available in the Master of Accountancy degree program.

Please note: Course sequences are recommended and subject to change based on availability.
