### **Daniels Co-Curricular Requirements**

- Microsoft Certification (MOS) requires standard levels of proficiency in the most recent version of Excel, Word, and PowerPoint; it is a prerequisite for multiple Business Core classes and a graduation requirement.
- The Daniels Professional Development Program (DPDP) prepares students to achieve success in their professional careers. Students take BUS 1099, BUS 2099, and BUS 3099 as 0 credit courses to complete these requirements.
- International Business majors fulfill the Daniels International Experience requirement by earning a “C-” or better in any of the International Studies (INTS) classes required for the major.
  - International students meet this requirement by virtue of studying at DU.
  - Students who study abroad are required to take INTZ 2501 (2 credits) up to one year prior to going abroad.

### **Daniels and University Policies**

- Only grades of "C-" or above may be used in completing all courses taken within Daniels, and ECON 1020, and MATH 1200/1951.
- Repeated courses count towards GPA calculation, unless students apply for a GPA replacement.
  - If a student repeats a course in which they earned a D- or higher, repeating the course does not generate additional credit hours toward the minimum requirements for graduation.
- A minimum GPA of 2.0 is required for all major coursework, all business coursework, and overall cumulative GPA to graduate.
- Elective credits may be applied toward a minor within or outside Daniels, a second major, or fulfilled through coursework from any campus unit(s), with the exception of University College/the College of Professional Studies. To create a well-rounded academic experience, students are strongly encouraged to take elective hours outside of the Daniels College of Business.
- At least 50% of required business courses must be completed at Daniels. Study abroad classes do not count toward the 50% requirement for courses completed at Daniels; please consult your Daniels advisor if you have questions.
- Students may earn a maximum of 10 hours of independent study, and a maximum of 10 hours of internship credit.

### **Additional Advising Information**

- Visit the Daniels Undergraduate Programs Canvas page (<https://canvas.du.edu>) for more information about the curriculum and ways to be involved and engaged as an undergraduate business student.
- Advising hold removal for first-year International Business majors is through the Office of Academic Advising, located in Community Commons suite 3100.
- All advising hold removal for business majors past the first year is through the Daniels Student Success Center, located in Daniels College of Business suite 255.
